

## STOCK MARKET REPORT 21<sup>ST</sup> SEPTEMBER 2021

### INVERELL CATTLE SALE

**Yarding:** 1000

**Change:** 40

**Comparison:** 14<sup>th</sup> September 2021

There were 1,000 head of cattle yarded, an increase of 40, comprising of a good supply of young cattle, a good offering of bullocks, steers, and heifers, while there was a fair yarding of cows. The yarding of young cattle consisted of several runs of well finished and well-bred 2 and 3 score yearling steers and heifers that were suitable for feeder and backgrounders, while there were a few pens of weaner cattle to suite local restockers. Cattle were drawn mainly from local areas, however there was a few consignments from the West.

Competition was keen for restocker weaners with the steers selling to 628c, while the restocker heifers sold to a top of 572c/kg. Yearling steers sold firm to slightly easier in places, mainly quality related, with feeders selling to 532c and restockers topped at 612c/kg. Feeder heifers sold to a top price of 544c for an average of 450c and restockers to 672c/kg.

The yarding of export cattle consisted mainly of a good quality offering. Local and Southern processors were active in the market which resulted in grown steers meeting strong demand ranging from 406c to 428c, while grown heifers sold to 411c/kg. The good run of heavy weight cows saw prices down by 2c to 10c, with 3 scores averaging 371c, and heavy 4 score cows reached a top price of 401.2c/kg.
